Thu										
Fri										
Sat										
Sun										
Week 2 total										
PAY PERIOD TOTAL										

How to total a day: (lunch out - time in) + (time out - lunch in) - other unpaid breaks. Add hours and minutes first, then convert minutes to decimals at the end: 7:45 = 7.75 hours.
Write times in 12-hour form with AM/PM or in 24-hour form. For a shift that ends after midnight, add 24 hours to the time out before subtracting.
